

**USA COIL & AIR SENTRY-GUARD™
SERIES LIMITED WARRANTY**

WARR #S 101 5/19

IMPORTANT INFORMATION

ANY PURCHASE ORDER AND SUBSEQUENT DELIVERY OF “SENTRY-GUARD™ COILS” SHALL BE IN STRICT ACCORDANCE WITH THE FULL WARRANTY SHOWN BELOW AND BUYER SHALL COMPLETE AND SIGN THE USA “LIMITED WARRANTY ORDER AND REGISTRATION CARD” BEFORE OR AT TIME OF ORDERING TO SIGNIFY ACCEPTANCE OF THIS WARRANTY. USA CAN’T SUPPLY THESE COILS TO ITS POTENTIAL BUYERS WITHOUT FULL ACCEPTANCE.

IT IS THE BUYERS RESPONSIBILITY, IF BUYERS SO DESIRES, TO CONTACT LEGAL ADVISORS BEFORE AGREEING TO THIS WARRANTY.

EXTENDED LIMITED WARRANTY TERMS - SENTRY-GUARD™ COIL SERIES ONLY

If you have purchased a USA COIL AND AIR, INC. “SENTRY - GUARD™ COIL”, then this warranty applies:

A) USA COIL AND AIR, INC. will replace the exact same coil, free of charge, any “SENTRY - GUARD™” coil that fails because of bursting tubes or headers and connections due to a “liquid phase freeze”. Note: "Popped" or "Burst" pressure sensitive caps are not a part of this limited warranty. Sentry Guard pressure relief caps/plugs are designed to burst in order to prevent total coil failure, in the event of a freeze. Replacement caps/plugs are provided with every new coil and available for purchase after the initial set is depleted. Seller’s decision on a warranty claim shall be final. ONLY professional reports are to be used to dispute final decisions.

B) This limited warranty for a “SENTRY - GUARD™ COIL” is for a period of 30 months from date of shipment and shall include only supplying a new coil, F.O.B. factory, in its standard lead time for that coil type and construction. There may be an expediting charge if the coil is required sooner than standard lead time. USA is not responsible for system downtime.

C) It is understood that an “IDLE COIL WITHOUT HEAT PROTECTION ON THE ENTERING SIDE OF COIL” may burst at cap/plug more than once during the coil weather season and USA is not responsible for loss of water, damages or other incidental charges.

D) This extended warranty has the exact same terms as shown in “BASIC WARRANTY” and “DISCLAIMER OF WARRANTIES AND LIMITATION OF REMEDIES” attached and does not include repair or replacement labor costs or other incidental, or consequential costs due to any type of damage, including but not limited to: liquid or water damages arising from the use of coil(s) if they fail in a warrantable or non-warrantable manner, during or after the allotted warranty time frame.

USA Coil & Air Standard Material & Workmanship 1 Year Warranty

WARR-B 10/2020

Basic Warranty – Material & Workmanship

Seller warrants, to the original buyer only, that any equipment manufactured by it will be free of defects in material and workmanship, under normal use and service, for one year from date of shipment. Seller's obligation under this warranty shall be strictly and exclusively limited to repairing or replacing parts and materials, free of charge, F.O.B. our plant, which, in seller's judgment are defective, or at Seller's option, refunding the purchase price in which event no other monies shall be due Buyer under any legal theory.

Buyer shall be responsible for all labor costs incurred in connection with such repair or replacement at installation site.

Buyer shall be responsible for all costs in removing, packing, and shipping defective equipment back to Seller.

Seller cannot control the environment or the way the equipment is used; therefore, this warranty does not cover corrosion of equipment during use, or deterioration caused by conditions of use, or that applications of finishes supplied by others is sufficient, or that finishes applied are suitable for the Buyer's environment. The USA Coil & Air basic warranty does not cover any problems associated with 3rd party coil coatings. A separate warranty is issued with all coated coils.

Not covered under this warranty (but not limited to) are systematic conditions like freeze damage, holes in tubes due to excess vibration or stress, corrosion, freight or installation damage, or equipment being used outside its performance, pressure, or temperature guidelines in any way.

Any claim that is in dispute, the Seller has the right to select a metallurgical or vibration specialist and that analysis and report will be the determining factor of the customers claim.

Seller assumes no responsibility for reimbursing repair or replacement expenses incurred without its prior written authorization.

Disclaimer of Warranties & Limitation of Remedies

Seller makes no other warranties, expressed or implied with regard to goods and services provided by Seller other than those set forth herein. Any implied warranty of merchantability or fitness for a particular purpose of Buyer which exceeds the foregoing warranty is hereby disclaimed by Seller.

Seller will not be liable for any direct or indirect consequential or incidental damages, losses, or expenses, including, but not limited to; commercial losses, business interruptions, or damages resulting to property other than that which is the subject of the sales transaction, nor shall Seller be liable for any personal injuries arising in connection with the sale, resale, or operation of its goods or inability of the Buyer to use the goods of Seller for any reason whatsoever.

Limitation of remedy here stated shall apply to ALL warranties arising out of the sale here subject. It is understood between parties that damage to the contents of the product herein vended, ineffectiveness of that product or other unintended consequences may result because of many factors including the manner of use of application of the product, all of which are beyond the control of the Seller. All such risks shall be assumed by the Buyer. The maximum aggregate liability of Seller to Buyer for all claims, in contract, tort, or otherwise, arising from or relating to the goods and/or services provided hereunder shall not exceed the total amount of monies paid to Seller under this Agreement..

Seller will not be liable for the infringement of any patents by the Buyer's use of any materials delivered herein. No promise, representation or affirmation of fact, written or oral, of the Seller or its agent or employees, other than as stated herein, shall constitute a warranty of Seller or give rise of any liability or other obligation of Seller, unless specifically agreed to in writing by Seller.

Terms & Conditions

TC - 10/2020

Venue for any proceeding hereunder shall be only in State or Federal Court nearest to the Seller's main office. Buyer agrees to personal jurisdiction therein and to service of process by regular mail at its main business address, as well as otherwise allowed by court rules. Buyer will be responsible to court costs and legal fees in cases of nonpayment.

CANCELLATIONS: Purchase orders cannot be canceled except by written consent of the Seller. If Seller consents to same, all expenses incurred by the Seller as a result of such cancellation shall be reimbursed prior to acceptance of cancellation.

ORDER ACKNOWLEDGEMENT: Order acknowledgments by Seller are provided based on Seller's interpretation of the purchase documents and specifications. Where applicable, submission drawings, performance data, and documents will be provided upon Buyer's request for approval and record purposes; and such submission drawings, performance data, and documents shall constitute Buyer's acceptance of all equipment and accessories as complying with purchase order and specifications.

PRODUCT CHANGES & DELAYS: In the interest of product improvement and service, Seller reserves the right to change materials, design, and fabrication methods without incurring obligation. Seller shall not be liable for any delays beyond its control, such as those caused by riots, strikes, fire, floods, lack of transportation, or accidents.

Freight Damaged Instructions

USA Coils & Air's freight terms are **F.O.B Factory**. This means as soon as your product leaves our dock, you are responsible for whatever happens to it on its way to you. If a problem arises, damages/loss, etc. USA will get involved and assist you providing the following steps are adhered to.

PLEASE NOTE: USA Coil & Air, Inc. will file freight claims for their customers strictly as a courtesy but are not legally responsible to do so. All claims are strictly the responsibility of the consignee.

Delivery:

- Truck drivers are always in a hurry – do not let them rush you.
- Inspect your crate/box/carton for damage upon receipt.
- Don't sign anything until you do so.

Take the time to look for:

- Indentations in boxes
- Protruding nails in crates
- Forklift damage to wood
- Does it look like it has been dropped?

If the Freight is Damaged – Please do the Following

1. If damage is excessive and/or you feel the equipment will require manufacturers repair please REFUSE shipment.
2. If accepting shipment, sign and make sure to note the damage on the driver's delivery receipt. IMPORTANT: If the words "DAMAGED" are not written on the delivery receipt, USA Coil & Air, Inc. will not be responsible for the repair costs, as we cannot file a damage claim with the carrier.
3. Take PHOTOS
4. Do not move the damaged piece from the area in which it was received. Do not discard any packaging, even if it is falling/fell off.
5. Call USA Coil & Air immediately. (800) 872-2645
